d. These lists must be reviewed immediately and on a continuing basis until they are exhausted by commanders and managers. This measure will preclude promotion of Soldiers who are ineligible, under the provisions of AR 600-8-2 and/or 135-210 and/or as an exception to AR 600-8-19.

4. Promotions to Sergeant Major will only be made against an existing or projected vacancy. Soldiers will be promoted in a sequence within their military occupational specialty.
